"SUNBURST"

**OUR SENSATIONAL 1946
INTRODUCTION**

NEW SENSATIONAL YELLOW DAHLIA

"SUNBURST"—Winner of Achievement

Medal. Scored 85-A at Stoors

trial grounds.

"Sunburst" is a very large refined informal to formal yellow dahlia. I have grown it 12 x 8½ in. Blooms facing on 10 to 14 in. strong cane like stems. Flowering habit good, unopened centers. Medium early bloomer. Height of plant 4 to 6 ft. with leather-like foliage. Color greenish yellow, lightly overcast mallow pink. Unopened center florets apricot buff, others are pale lemon yellow, but the apricot buff persists. Finished off with a glistening sheen. Good tuber maker and propagator. Roots \$10.00 net. Plants \$5.00 net. Clumps \$25.00 net.

"ESSIE SMITH my 1945 introduction, a large semi-cactus pink dahlia, proved itself a super dahlia by winning the largest and most nearly perfect semi-cactus bloom in the A. D. S. New York show last fall. Plants, \$2.50 net. All stock guaranteed.
